

The Jackson County Chamber of Commerce would like to invite

101

People to become
Patron Members for

101

Dollars per year
to celebrate

101

Years of the
Chamber 1923-2024

Why should I be a patron?

- We are a non-profit. We need your support so we can continue to bring the community events like Concerts on the Creek, July 4 Fireworks, Friends Night Out, Holiday Fireworks, STIR Business After Hours, and more!
- If you think we're old, you should see our office! It's always in need of some maintenance, so your membership will help support proper repairs and updates to our 119-year-old historic home!
- This is a great way to stay connected in the community by networking while also supporting a non-profit organization that provides so many services and events to Jackson County and its citizens.

What do I receive as a patron?

- You will be a REAL chamber member. You can come to all Chamber-member-only events and receive all communications we send to our chamber members.
- You will be listed on our website and in our annual membership directory as a valued patron member.
- You will be able to network with all of our chamber members at events such as STIR, our annual holiday party, some ribbon cutting/grand opening celebrations, and more!
- We have **FUN** and are always looking for volunteers, ambassadors & friends in Jackson County!
- Want to join with your spouse? Sure! Couples can be patrons for only \$175, which is a \$27 discount.
