camera app on your  
phone to open our  
website!

The Jackson County Chamber of Commerce is located in the Historic Hooper House at 773 West Main Street in Sylva, N.C. The building is maintained by the Hooper House Preservation Foundation and is on the National Register of Historic Places. The Hooper House was built in 1905 and the Jackson County Chamber of Commerce was established in 1923, exactly 100 years ago!

To celebrate our centennial anniversary, the Jackson County Chamber of Commerce and Historic Hooper House Preservation Foundation are teaming up offer visitors, locals, businesses, non-profits, and other organizations the opportunity to purchase paver bricks to support both entities. These bricks will be offered in three sizes, at different price points, with options to purchase with text only or logos and text recognizing military service, collegiate affiliation, business logos, and more.

Profits from paver sales will help the Chamber and Hooper House Preservation Foundation address and sustain several maintenance needs at a time of rising building and material costs. Please help us reach our paver goal so we can continue to keep one of Jackson County's most historic landmarks shining for 100 more years and beyond.
